SNU STUDENT JOINS CHAMBER STAFF AS INTERN

This fall, we welcome Michelle Luehring to our Chamber Office, an intern who is with us Tuesdays and Thursdays. Michelle recently graduated from Bryant High School in Arkansas and is currently attending Southern Nazarene University. At SNU, Michelle is planning to major in Business Administration in hopes of owning her own business. She will be assisting us in planning events and Chamber projects through the winter. She has previously worked at the Bryant Area Chamber of Commerce in Arkansas. Many of you have already met her through various phone calls, and we hope all members can get to meet her while she is here.

JA IN A DAY SEEKS BUSINESS LEADER VOLUNTEERS

Northwest Chamber members have a great way to help inspire a future generation of entrepreneurs by volunteering with Junior Achievement's "JA in a Day" program on **Tuesday, February 7, at Western Oaks Middle School**. Junior Achievement will provide lesson plans, materials, and training and Chamber volunteers are asked to teach one eighth grade class fun and relevant lessons introducing the business world. There are eight classes, so at least eight volunteers are needed, (or members may pair up and team-teach a class), and the commitment would just be for a few hours that day. *If you'd like to be a part of this positive program, call Larissa at the chamber office 789-1256 or sign up online.*
