

We guide you to better benefits.

Allied Wellness Horizons® Health Plans

Are you struggling with the high cost of health insurance?

If so, let me guide you on the way to help you save on your premium.

Wellness Horizons Health Plans, for groups of two to 50, are the answer to your needs for flexible and affordable group health benefits for your business.

Each plan can guide you to exactly what you need to provide your employees with the benefits they deserve, at the price you want.

The Northwest Chamber knows employers struggle with trying to balance health benefits and premium savings. That's why the Northwest Chamber is promoting the flexible and quality Wellness Horizons Health Plans. From significant premium savings to flexible benefit plans, you can choose from many levels of copays, coinsurance and deductibles to create a plan that easily fits your group's benefit needs. Choose the benefit premium savings that are right for you.

The value-oriented benefits and superior personal service will give you the most from your insurance coverage.

Let me be your guide to balance, performance and small group choices for you and your employees.

This is an invitation to inquire about the Allied Wellness Horizons Health Plans. This is a limited description of the plans. See plan brochure and Certificate of Insurance for complete details.
