NORTHWEST CHAMBER DAY AT THE CAPITOL

Wednesday, March 30, 11 AM - 2:30 PM

Oklahoma State Capitol

This year the Oklahoma Legislature is facing some interesting challenges as they address revenue shortfalls, education reform, reducing taxes, shoring up the teachers' and state employees' pension funds, and substantial worker's compensation and lawsuit reform.

On Wednesday, March 30, members of the Northwest Chamber will have the opportunity to meet with our State Senators and Representatives to voice our concerns, identify our needs, and ask the questions we want to know about at our annual "Northwest Chamber Day at the Capitol"

Chamber members are invited to be a part of this exciting day by registering no later than Friday, March 25. At the State Capitol they'll be introduced to our Legislators and other elected leaders, enjoy a lunch briefing in one of the committee meeting rooms, and observe the House and Senate in Session. The Oklahoma State Capitol not only houses the Legislature, but also the Governor, Lt. Governor, State Treasurer, Supreme Court, and Secretary of State, as well as four changing art galleries and historic art treasures.

Don't miss this opportunity to witness history in the making, and perhaps even make a little history of our own. Please RSVP by calling 789-1256 or emailing register@nwokc.com.

LEADERSHIP NORTHWEST SEEKING DONATIONS FOR 2011 PROJECT

Leadership Northwest is a program with a goal of informing, motivating and preparing people to be effective leaders in our community. Each Leadership Northwest Class takes on a project that

will make an impact in our community, and the Class of 2011 is working to assist Hilldale Elementary School in raising funds to help execute exciting new projects at their school building and by utilizing new technology.

While that is a great start, LNW also wants to make a positive impact on the lives of these students, who may never experience the simple joy of a school carnival because there are not enough financial resources or organizational ability to create one.

The students at Hilldale Elementary face challenges of poverty, language and location uncertainty, but they are striving to learn and their teachers and administrators are working hard to bring them an educational experience second to none. By creating a Bingo Night Celebration this May, students, parents, faculty, and members of the community will have the opportunity to interact and have fun while also raising money for this great cause.

If your business can donate gift items, gift baskets or gift certificates for people of all ages they will be welcome. While we need a few key LARGE prizes, we also need lots of smaller \$5-10 gift certificates, or individual items for the celebration. Financial donations can be made payable to "Hilldale Elementary" and WILL be TAX-DEDUCTIBLE as a CHARITABLE DONATION. Donations of school supplies appropriate for Elementary age students will also be welcome.

Donations can be mailed or delivered to:

First Bethany Bank & Trust , ATTN: Janet Connel – LNW, 6500 NW 39th Expressway, Bethany, OK 73008. Please include your contact information, so that we can make sure you receive a thank you letter for your charitable donation.

Thank you for your consideration of this request, and for your support of these children.
