Mercer-Adams has developed a reputation for providing families with personalized services priced below national chains. Our staff possesses a willingness to help each family design a service that expresses the significance and character of the life they celebrate. Our goal is to enable every family to honor their loved one with respect and recognition. Our facilities enable us to provide technical expertise that flows in the background of the aesthetics, comfort and peacefulness of our facility. Combined with a genuinely caring staff, ready to provide everything from prearrangement to grief counseling, you understand our motto:
Before, during and after. We understand the language of comfort.
